

Certificate

Inspecta Sertifiointi Oy has issued this certificate to verify that the security management system for the supply chain of the organization

Securitas Oy Helsinki

has been assessed in accordance with the requirements set in standard

ISO 28000:2022

The management system has been found to fulfil the objectives and requirements of the above-mentioned standard as well as those of the associated standard

ISO 31000:2018 Risk management - Principles and guidelines

as an integral part of it.

The certificate has been issued on 2024-03-23 (first issue 2015-03-23).
The certificate is valid until 2027-03-23.

Maija Vanttaja, Managing Director

The certificate is valid on the condition that the security management system for the supply chain of the organization fulfils the objectives and requirements set in the standards above.
